## Catering

Catering is not included so you are welcome to use Pasture & Co café or make your own arrangements.

If you use an outside caterer or food truck, they should be self contained and are best located in the car park area adjoining the Glasshouse where we can provide direct connection to utilities such as power and water.

All suppliers must meet our sustainability principles and be approved by us.

## Layout

The Pavilion, Glasshouse and Spiral Garden have our standard arrangement of tables and chairs included in your hire. For larger events you can hire additional tables and chairs from an external supplier and arrange to suit your event.

## Alcohol

Pasture & Co has a fully licensed bar or, outside of their trading hours, we are a BYO venue.

However, to comply with liquor licensing rules, alcohol can only be provided to your guests for private events by staff who hold an RSA certificate.

Alcohol must be served from our Glasshouse bar. Alcohol cannot be sold or provided for ticketed events.
